

DEAR CBA COMMUNITY!

Exciting times are here!

I'm delighted to write this foreword to our first newsletter. This publication is another way to keep you informed on our activities - and we have been busy!

Firstly, CBA is expanding: this September, we will launch our Abuja campus. In Gwarimpa, we host Nigeria's first primary and secondary school, based exclusively on the Canadian (Ontarian) curriculum. In future communication, I'll share details of our inauguration - and hope you can join us to make CBA history.

Next, I invite you to join me to welcome Martin Harry Doherty, our new Principal. Martin joins CBA with years of stellar experience in school management on four continents: N/America, Europe, the Middle East, and Asia. Read more about his background and motivation on our website. I look forward to Martin's leadership. I'm confident he will be an excellent mentor to our students and educators. Speaking of which, with our ambitious growth plans, we'll hire new staff to bolster our superstar team. Please refer qualified candidates to the open job opportunities on the careers page of our website.
