

DEAR CBA FAMILY/GUARDIANS

RESUMPTION!! It's resumption time and we welcome you aboard the 2022/2023 academic train. We are positive it will be a pleasant and hitch free academic year.

In our quest to helping our champions build brighter futures and maximizing their learning, we need parents/guardians' co-operation and support. As such, the following points should be taken note of:

TIMEKEEPING: Please ensure students are dropped off on time. Missing assembly and even few minutes of class does add up over the course of the year. The drop-off and pick-up times are as follows:

Drop-off: 7:00am—7:30am *"Gate is unlocked exactly at 7:00 AM"*

Pick-up: 2:30pm sharp

Please note that any student that stays beyond 2:30pm will be taken to the waiting area inside the main campus building and parents must sign them out at the front desk. This will attract late pickup charges that parents either pay immediately or it's calculated with students' end of year bill.

For the first two or three weeks, pick up time will be 2:30 PM. Since teachers need time to plan the after school homework club and co-curricular classes; these will be announced and kicked off later in September.

Please ensure your child brings a water bottle each day. CBA has purified water for all students.

The CBA student lunch program is currently being designed by a nutritionist and will be kicked off later in September. Please ensure your child has a healthy lunch until this time. **Please avoid junk foods and highly processed meals such as; chocolate, candies, cookies, cakes, deep-fried foods, processed meats, fruit or sugary drinks (only milk and water is allowed.)**

ACADEMIC INFORMATION: CBA is providing smart pads and chrome books for grades 1-6 and it is available at the campus for pickup prior to September 5th. However, grades 7-12 are to bring their laptops/smart pads for configuration in readiness for classes. In our quest to building brighter minds, students are encouraged to take home-works and projects serious.

PAYMENTS: Parents/guardians are advised to meet up with the deadline (August 28th) for the payment of fees

BOARDERS: Boarders are expected to resume on Sunday 4th September, 2022

Should you require further information or details, please feel free to contact the School's Admin.
